

Message from the Editor-in-Chief
Banmali S. Rawat

It gives me great pleasure to bring out the 6th issue of the **International Journal of Microwave and Optical Technology (IJMOT)** for the year 2018. This issue consists of total 10 papers, 8 in Microwave area and 2 in Optical area. These interesting papers are in the areas of:

Microwave related areas: Formulation of Resonant Length for Regular and Modified Shapes Printed Monopole Antennas, Calculation of Equivalent Circuit Parameters of a Rectangular Reentrant Cavity for Klystron, A New Design of a Microstrip Microwave Broadband Power Amplifier for GSM, DCS and PCS Bands, CPS fed Dual Channel Antenna for UWB Range with Symmetrical Crescents Radiator, 2X2 Circular Polarized Antenna Array for RF Energy Harvesting System to a UAV, Exotic 3D Geometries Intended for Wireless Communication Antenna Arrays, Study of Microstrip Antenna Array with Patch Type Electromagnetic Band Gap Structures and A Very Compact Design of a Triple-Band Bandstop Filter Based on a Complementary Split Ring Resonator.

Optical related areas: Ethanol Doped Photonic Crystal Fibers with Nearly Flattened Zero Dispersion and High Birefringence and Highly Birefringent Photonic Crystal Fibers with Flattened Dispersion and Ultralow Confinement loss.

Preparations have just started for organizing International Symposium on Microwave and Optical Technology (ISMOT-2019) in Batumi, Republic of Georgia from June 24-27, 2019. Please look for details in future issues of IJMOT regarding paper submission etc.

I am very pleased to inform our authors/subscribers that IJMOT is now indexed by SCOPUS, SCI (request submitted), Google, EBSCO, ISI, Elsevier, and Media Finder. Also IJMOT is an approved journal by UGC of India. We are contacting other indexing agencies also in this regard.

I would like to thank all the editorial board members, reviewers, authors and subscribers for their continued help and support for IJMOT without their support it is not possible to publish the journal in a timely manner. Our special thanks to Web Manager Mr. Shridhar for doing excellent job by publishing all the issues in time.

Banmali S. Rawat
